

The Bold Rapista

① The news is known by one + all;
I caught Bill Chester in the hall,
Removed his pants + tweaked his balls,

So I'm a bold Rapista,
Women's Lib's a sight to see,
The campus cops are out after me,
And Chester + his pals agree
That I'm a bold Rapista.

② It drove poor Chester slightly ape
That women can't be charged with rape;
The cops all stood around agape
To find a girl Rapista.

So William Chester, this I'll say;
If you get into the family way
I'll marry you without delay,
For I'm a fair Rapista.

③ The tale went flying round the town,
And made Sweet Valerie Walker frown.
She called me in + called me down
For being a Rapista.

She sneered at me for ~~having~~ ^{HAVING THE} hots;
I told her: "That isn't all I've got;
I know about your Beaver Shots,
For I'm a wise Rapista."

④ The judge had trouble keeping still.
To ~~not~~ keep from laughing, his voice was chill
As he asked Chester: "Did you, Bill,
Entice the Bold Rapista?"
"oh judge, he wrote that rape was fun,
And grieved that he'd never gotten one.
~~I~~ I thought ~~I~~ I'd show him how it's done,
So I'm a bold Rapista."

⑤ The cops all laughed + wisely cracked:
"Bill, when you found yourself attacked,
Why didn't you then just relax
And enjoy the Bold Rapista?"
Willy wailed; "oh, show respect!
I had my virtue to ~~respect~~ protect!
~~like any~~ ^{My} virgin, ~~I expect~~, reputation's wrecked,
~~who~~ ^{BY THE} Bold Rapista."

⑥ Oh Willy-boy + Valerie,
I wish you both had the sense to see
Just what it means for liberty
That I'm a Bold Rapista;
Men, your Rule of Fear is done;
Now rape can happen to anyone,
And it's your turn to cringe + run
Before the Bold Rapista.
